Dear Partners,

We are truly grateful for your generous contributions to C.M.O in support of the Lanna Theological Center. Your unwavering support plays a pivotal role in our mission to prepare dedicated leaders for the Lord's work in Thailand and beyond.

A Wonderful Announcement!

We are thrilled and grateful to share that we have enough commitments to complete the Men's dorm!

I vividly remember the day I chose to move forward. At that moment, only 27% of the funds needed had been raised, and I was unsure how to approach fundraising. What I did know was that God's work needed more workers. With faith, I took the first step, and God has faithfully provided!

Thank you for being part of this journey. Your support is not just building a structure; **it is impacting lives that will continue to influence the kingdom for generations.**

Men's Dorm projected to be finished by August.

Equipped and Sent for Kingdom Impact

LTC's graduation was on March 14. This year, 9 students received their B.Th. degrees. Each one is in full-time ministry.

Another 12 men received a Church Leadership Diploma. They were the final group of lay leaders from a neighboring country to complete this program. Over 12 years, this program has trained more than 100 lay leaders for the Kamu church in a creative access country. Our partner mission has closed, but we are assured that those trained are continuing steadfastly and that the church is growing.

LTC Faculty and Staff and Graduates

Thank you for your prayers. Together, we are making a lasting impact on the lives of countless individuals, equipping them with the tools and knowledge to spread the message of hope and love.

Blessings,

Carmen Filbeck
